Along with mentioned tax payments coming in the city residents dealing with storm debris, the Mayor was asked by someone if vehicles for sale were allowed on residential properties as long as it is parked on hard surface; City Attorney, John Singler confirmed.

Betsy Kramer spoke of a concern she had with a property that was sold on Wood Rd and then subdivided with plans to build a house on vacant lot. Her concern was the lot size. Mayor Hagan stated there was an application submitted to build on lot and the frontage was same size as other lots along Wood Rd. The trees removed was another concern and discussion was held regarding passing an ordinance for replacement trees to be planted for every tree taken down. Mr. Singler mentioned an incentive program that other small cities have adopted to help residents achieve this idea. Discussion was held and Mr. Singler will provide sample ordinances for Lyndon to use if the council wishes to adopt.

Carla Nalley brought up and interest from a few citizens for Lyndon to have a community pool. Cost and annual maintenance eventually forcing a tax increase so no further discussion was held.

Jim Holston, resident of Holly Springs, attended meeting to get more information about short term rentals in Lyndon. Mr. Singler explained a recent amendment to the Land Development Code to allow short-term rentals (AirBNB, Bed and Breakfasts, etc.) in residential zoning district with certain conditions. Lyndon has not approved the amendment, therefore these short-terms rentals are not allowed. Discussion was held on how the city can manage this until further action.
