He let council members know the police and code enforcement reports will be emailed to them this week. Chief Throneberry discussed theft logistics that may affect some cases in Lyndon that expand beyond boundaries. He suggested the council examine possibilities in the future that may change how the department will be billed. Soliciting was also discussed.

The Mayor discussed the contents of the next newsletter and informed council a gate was installed at the newly acquired property by the park. The Mayor said he would talk to Metro Council Member, Marilyn Parker, if they would consider installing solar-powered, flashing stop signs at this location. He also said the bushes will be cut back there soon as well. Robsion Park activity was also brought up.

Mayor Hagan gave an update on the storage building at Lyndon and Warwick. He had taken a few calls from citizens concerned by the look of the façade but he reassured them it was not finished. Discussion was held.
